

Flight Risk Assessment and Understanding Impairment Risk

FAASTeam Rep and chapter member Joe Schmalz will discuss/present both the FAASTeam's new FRAT planning tool and this month's latest safety program release from the General Aviation Joint Steering Committee about drugs and pilot impairment concerns relative to indiscriminate use of both prescribed and over the counter drugs.

Directions: Blairsville Municipal Airport is located three nautical miles (6 km) southwest of the central business district of Blairsville, a city in Union County, Georgia. Please consult Map Link provided.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
